Glides on smoothly—no tugging

Kajal Longwear Eyeliner

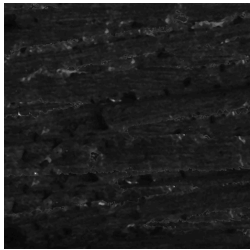

Get the blended look or definition you've always wanted with this soft kohl liner that delivers richly pigmented color in smooth, skip-free strokes. Infused with vitamin E and caffeine, the long-wearing formula hydrates and conditions your lids, reduces puffiness and redness, and can also be used as a shadow crayon. With a built-in sharpener on one end, you'll never have to worry about a dull point again!

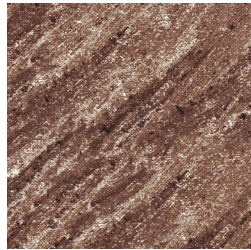

Smoky Taupe Kohl

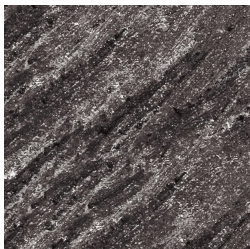

Dark Brown Kohl

Deep Black Kohl

Smoky Quartz Kohl

Deep Charcoal Kohl

Smoky Amethyst Kohl

HOW TO USE

Apply Kajal Eyeliner along the upper lash line using short, even strokes for a deep, solid line. Start from the inner rim of the eye for the ultimate sultry effect. You can smudge and blend easily for a smoky eye look. For a more precise line, use the sharpener included in the end cap and propel the pencil up until the product is covered by the sharpener. Twist slowly until desired point is achieved.
